I would like to thank all those that have helped me in putting this family together.

I started in 1969 and have been working on and off the family till 2016 when I decided it was time to stop and get this info where others could use it.

You will notice there are several different addresses on the family group sheets as have printed them at different times.

As of the 16th of June 2016 the above is my new and hope last address. I moved from upstairs to down stairs as my kids kept after me to not do the steps as may come a time when I couldn't so best to do when I can, and sure glad I took their advise as know in a few years I would never have been able to make that move. I'm heathy now but you never know from day to day what will happen. The only way to live now is from day to day.

This would actually be Book 2.

Book 1 will have info on Winslow and Rachel Cronkhite Russell who we believe are the parents of Barnabus and 2 daughters who married into the Moon family.

Book 3 will have family info on Bresee and Russell. The first book I put together on Barnabus Russell in 1993 could be 1st or last.

Hi Gladys,

Just did up my dishes and then decided to check the computer. I went through the spam emails and there are so many from people speaking Chinese (?). Wonder what they are saying. Probably nothing good. I just delete the whole bunch. Yahoo does a good job sorting them out.

Glad your TV is up and running. Can drive you nut when things don't work right. Too bad about your CD player. Years ago, Michael and I stopped at a Walgreen's in Clinton on our way to the gambling boat. They had a special on - a radio with a CD player. Think it was around \$18. Bought it and have never had any problems with it - use it every night. Anyway, Jean Ellen wanted to get one and we ran all over Clinton and Dubuque looking for one with no luck. Got on the computer and they said Sears carried that radio so we went up to the one in Dbq. and they ordered it for her. She hasn't had any problems, either. You wonder if one company can make a good one, why can't the others do the same?

I got into a site, think it was New York Genealogy, and found a burial detail for Margaret Rickard, spouse - Jacob Cronkhite, mother of Henry and wife of Jacob who was killed in the Battle of Bennington. Buried Evans Mill Old Cemetery, Evans Mill, Leray, Jefferson County.

Printed out and will put it with Hawley's information. Think I am about done with that bunch but would sure like to know what happened to Rachael Cronkhite Russell. Maybe one of us will run across that information.

Well, guess I will play on the computer a little longer and then think about some supper before the evening programs start on TV. Sure have been lazy this weekend. Don't like it when it gets so warm and that sun is so hot.

Later.

Faye

FIRST GENERATION

(1) **Barnabas Russell** was born about 1795/1800 in NY, and married about 1818 in ?NY, (2) **Sarah "Jane" Potter** who was born 1803/1804 in NY/VT. Barnabas died 1845/1846 in Delaware Co., IA and was buried 1845/1846 in North Fork Twp., Delaware Co., IA, farm cemetery. Sarah "Jane" died after 1873 in li Grant Co., WI.

Notes for Barnabas Russell:

Sources for Barnabas Sr.: BIRTH: It is assumed that he was born between 1795-1800. Assuming he was about 20 when married in 1818 he would have been born 1798. MARRIAGE: Not located marriage licence but have presumed they married in NY or VT, as we don't know yet where they were living before their marriage. The first child's death certificate said she was born 1819 in New York. DEATH: Have not located a death date but came across a notation in a land record in Delaware Co. IA, when his son in law was selling land in 185? located in North Fork Twp. E 1/2 of NE qt of Section 32, Township 88, Range 3 W starting 5 rods from Barnabas Russell's grave, and the land was in Delaware Co. IA. Family also said the last son born Feb 1846 was born after his father died and he was raised in WI. No one in the area knows anything about the grave or a cemetery in the area that was stated in the land record. No record of his will or estate from Iowa or WI has been located. PARENTS: Nothing has been located as to who his parents were to date. Only clue we have is one daughter married a 2nd cousin and we know who he was and his parents, but don't know who the fathers parents were.

The first information I had to go on the Russell family was a paper that had been typed and given to me from Deloris Irene Lowe Hays of Loveland, CO in 1973 and she said her family had the info but didn't know where it came from. She is from the same line of Jesse Francis Lowe as I am. I will add the info here as it may be of help later.

"Barnabus Russell was of Highland Scotch parents, his grandfathers name was Pepper. Was killed at the Battle of Bennington Vermont. in the Revolutionary War. He was a militia Man. or Minute Man. and the Revolutionary War records at Washington D.C. have no records of any (only regular Colonial soldiers. Barnabus Russell was born, raised and married Jane Potter in Vermont. She (Louise Russell) married David Spencer. first marriage. and Sargent Bresee. second marriage. Rachiel Mariah Russell born in Vermont. and married Hawley Lowe. Jane Ann Russell born in New York. married Francis Van DeWalle. Dorothy Russell born in New York. married Henry Van DeWall. He was born and raised in London Eng. Phoebe Russell married Gould Bresee. Julia Russell married David Burche. Rebeca Russell married James Russell a second cousin. Sylvester Russell unmarried. died in the Union Army. in 1861. burried in Arlington Heights. Virginia. Barnabus Russell Jr. born feb 3 1857. in Delaware Co. Iowa. raised

Notes for Barnabas Russell:

Sources for Barnabas Sr.: BIRTH: It is assumed that he was born between 1795-1800. Assuming he was about 30 when married in 1815 he would have been born 1795. MARRIAGE: Not located marriage license but have presumed they married in NY or VT, as we don't know yet where they were living before their marriage. The first child's death certificate said she was born 1815 in New York. DEATH: Have not located a death date but came across a notation in a land record in Delaware Co., IA, when his son in law was selling land in 1867 located in North Fork Twp. E 1/2 of NE of Section 32, Township 38, Range 3 W starting 5 rods from Barnabas Russell's grave, and the land was in Delaware Co., IA. Family also said the last son born Feb 1846 was born after his father died and he was raised in WI. No one in the area knows anything about the grave or a cemetery in the area that was stated in the land record. No record of his will or estate from Iowa or WI has been located. FIRST GENERATION

in Lancaster Wisc."

The only thing so far we have found that is wrong was the birth date of the last child. According to his death certificate he was born Feb 1846 in IA. Most of the marriages have been located and are correct. So the better part of the document has been found to be right. We just can't find any thing on Sr's parents and nothing on a Pepper line in NY or VT to date. No information on who was killed at the Battle of Bennington but many who fought in that battle were actually from NY and not Vermont. There were many Russells in Rensselaer Co. NY but have not found a connection to ours to date.

CENSUS RECORDS: Of Barnabas Russell has not been located for him in 1820 NY index. Could have been living with someone else. 1830 did locate one Barnabus Russell in Lewis Co., Brantingham Twp, NY which fits right age and could be ours. Barnabus Russell males to 5-2 males 20/30-1 and females to 5-1, 5/10-1 and 20/30-2. 1840 Summit Co., Tallmadge Twp. OH pg 350 has one Barnabus Russell that we believe is ours: males 10/15-1 and 30/40-1 and females 5/10-2 and 15/20-2 and 30/40-1. 1850 Barnabus Russell was deceased and only located his wife in Grant Co., Lancaster Twp. WI pg 22 #315-319 Jane Russell 47 VT., Phebe A. 13 OH, Julia E. 8 IL, Rebecca 6 WI, Barnabas 4 IA. Jane was listed in 1855, 1860 and 1870 Grant Co. WI census with children.

LAND RECORDS: Have not located any land records in Lewis Co. NY, Summit Co. OH or Coles Co. IL, which is where one daughters death certificate said was born. However it is believed the birth places listed on the death certificates may not be right, since census records puts them in other places, still possible there were not where census says either. Have not checked in Delaware Co. IA for land records. Did locate land records in Grant Co. WI for Jane Russell up to 1873 when she sold land to her son.

COUNTY HISTORIES AND OTHER RESEARCH GUIDES: Have checked many books on county histories and also many Russell family books and have not located any connection to date. Have checked at Salt Lake City for information in their IGI files and ancestor files and have located nothing to date. There are several of us working on this line and so far we have come up with nothing.

Notes for Sarah "Jane" Potter:

Sources for Jane: BIRTH: To date the only reference to her age is the census records which list 1803-4 as age born. The census disagrees as to where, we have from VT to NY to IN. I think we can believe she was probably born in VT or NY. MARRIAGE: We haven't located the place or date but since first child's death certificate states 1819, would believe they were probably married about 1818, would make Jane about 15-16 and is possible. DEATH:

CENSUS RECORDS: Of Bennington Russell has not been located for him in 1850 NY Index. Could have been living with someone else. 1810 did locate one Benjamin Russell in Lewis Co., Bennington Twp, NY which fits right age and could be ours. Bennington Russell males to 5-2 males 1810-1 and females to 5-1, 5-10-1 and 1810-2, 1810-3. We believe is ours; males 1810-1 and 1810-2 and females 1810-1 and 1810-2. 1850 Bennington Russell was deceased and only located his wife in Grant Co., Lancaster Twp, WI pg 22. 1810-319 Jane Russell 47 VT, Rhode A. 13 OH, Julia E. 8 IL. Record 4 WI, Bennington 4 IL. Jane was listed in 1850, 1860 and 1870 Grant Co., WI census with children.

LAND RECORDS: Have not located any land records in Lewis Co. NY, Summit Co. OH or Coler Co. IL which is where our daughter's death certificate said was born. However it is believed the birth place listed on the death certificate may not be right, since census records were from in other places, still possible there were not where census says either. Have not checked in Delaware Co. IA for land records. Did locate land records in Grant Co. WI for Jane Russell as to 1870 when she sold land to her son.

Mrs Francis Van de Wall, born Dec 20, 1829, died Sept. 24, 1906 "These are they which came out of great tribulation, and have washed their robes, and made them white in the blood of the Lamb. They shall hunger no more, neither thirst any more, neither shall the sun light on them nor any heat. 2nd notice was quite lengthy from the Grant Co. Herald, Wednesday Oct 3, 1906

Mrs Francis Van de Wall, born Dec 20, 1832, died Sept. 24, 1906. "Those who have known her of great tribulation, and have weaned their robes, and made them white in the blood of the Lamb. They shall hunger no more, neither thirst any more, neither shall the sun light on them nor any heat. For the Lamb which is in the midst of the throne shall feed them and lead them unto fountains of living waters; and God himself shall wipe away all tears from their eyes."

Jane Russell came to Wisconsin in early childhood from Cayuga County, Ohio, where she was born. At Lancaster, on April 4, 1850, she was united in marriage to Francis Van de Wall and together they have lived in this city fifty-six years. Here eleven children were born to them. Four went in infancy to dwell in the better land. George, the son, who went with the Lancaster Alaska Expedition met an untimely death in that far away icy country. William, Frank, Walter, Emma, (Mrs Tennant), Mary, (Mrs Dickson) and Carrie with their aged father are left to mourn, and all except the first named were present to pay father's last tribute to a most exemplary mother and wife.

Mrs Van de Wall had been for many years a sufferer, for five

years she had not walked. Much of that time she was in severe pain, and yet all who have known her are unanimous in their testimony of her meekness, her gentleness and a patience almost sublime. Much grief and many burdens have been hers. But through tears were blinding her own eyes, there was ever a smile, a comforting word or tender touch for another's needs. A great forgetfulness of self, a beautiful gratitude for every blessing, an unwavering faith and invariable patience, these were among the highest attributes of her nature. If she had faults, the greatest was a total blindness to the faults of others. Charity, that sweet charity that "suffreth long and is kind; that vaunteth not itself, is not easily provoked, thinketh no evil, blesseth all things, hopeth all things, endureth all things," this was her creed, and she lived it unobtrusively, quietly, humbly. What finer tribute could be given than the words of the venerable and bereaved husband after more than half a century of companionship. "I am old and have seen great sufferings and many changes, but never have I seen so great patience, so sweet a nature as mother had." And Carrie the affectionate daughter, who has given with undiminishing and unswerving devotion, youth and health to the care of an invalid mother, has now unspeakable consolation in the sweet memory of the many loving words of approval from the dear one so dutifully tended. The father too is comforted by the knowledge that so faithful a daughter will never forsake him.

A brief but impressive service was conducted at the home on Thursday afternoon at 2 o'clock by Rev Morgans, and the beloved remains where laid to rest at beautiful Hillside.

A short poem then signed B.D.S.

CHILDREN: Her obituary listed they had 11 children, four dying in infancy and 1 after maturity before she. I don't know the names of the children dying in infancy so will only list the ones known.
